Communications Plan

Internal communication continues to be a focus of the Vision2018 Committee. As a result, we expect to prepare a school-wide communication twice per month which will be delivered to parents via EduConnect email. In addition, these semi-monthly communications will be posted on the Vision2018 section of the OLM website. Please check the website regularly!

Additional opportunities for regular communication and Q&A will be provided after each Friday Prayer Service/Mass. Mr. Greene will be available after these gatherings in the back of the auditorium to answer questions and provide progress updates.

Communications with our parish communities will begin in regular intervals with notices in the parish bulletins and information tables in the church halls during select “after mass” gatherings.

The broader public will be kept up to date with press releases and other means of media involvement as appropriate.

Feedback

We continue to welcome (and encourage) feedback on any aspect of our work to date and plans for our collective future as a school community. Please email any member of the committee or use the Vision2018 email: vision2018@olmschool.com
